

Assumption College Presents
STEM & INNOVATION DAY
Monday, October 22nd 2018
9:00 am to 8:00 pm

Power of Ideas Exhibits
 A travelling science center, the Power of Ideas was developed for Canada's sesquicentennial. The Innovation150 exhibits are a collaboration of five Canadian science outreach and research organizations, led by Perimeter, and including Actua, the Institute for Quantum Computing at the University of Waterloo, the Canadian Association of Science Centres, and the Canada Science and Technology Museums Corporation.

Keynote Presentation: McMaster Innovation Park
 A panel of speakers from award winning McMaster Innovation Park will be visiting us with an interactive presentation to discuss their experiences in STEM research.
