Blessed Sacrament School
7:00pm - 8:30pm

Register today at liveyourbestyou@gmail.com or call Jackie at [519-465-2844](tel:519-465-2844)

Geared for Grade 7/8 students and Adults

"Achieving goals has little to do with past failures and everything to do with attitude, determination and taking action."

The parent council of Blessed Sacrament School would like to invite you, your friends and family as members of our Community to you join us on Thursday March 22, 2018 at 7:00pm for a night filled with inspiration.

In today's ever-changing world, it is easy to give up and walk away from challenges in our lives. The staff and students at Blessed Sacrament have dedicated this year to teaching each other about perseverance and GRIT.

On Thursday, March 22nd join us as we welcome Peter Wright, author of "5 Steps To Thriving On Adversity." Peter will be sharing skills we can utilize in our daily lives to stick with and overcome challenges.

A Bit about our Speaker:

Peter spent most of his life in Southern Africa, in corporate marketing management, starting and running his own business and farming. He has military experience, competed in endurance and equine sports. Three years after the Zimbabwe government launched a brutal campaign to force all farmers off their land, Peter was thrown in jail and was refused permission to return to his farm. He and his partner Sue moved to Canada in 2004 with just two suitcases, a horse saddle each, and enough cash to buy an 8 year old pickup truck. Peter is a self-acknowledged contrarian thinker. He fixes problems by asking questions that others will not. As a speaker he inspires his audience by his personal experiences including the good, the bad and the terrifyingly ugly.

Peter's book will be available for purchase during this event.

Reserve your spot today by emailing liveyourbestyou@gmail.com or calling Jackie at [519-465-2844](tel:519-465-2844)

This evening is Blessed Sacrament Schools gift to our community. If you would like to help us gather food for our local community, please bring a non-perishable food item.
